### A

**AAFP-PT:** proficiency testing for office labs (*ed*), September, p. 93  
**abuse**  
     —child, prevention of (*tip*), October, p. 308  
     —infant, fatal, radiologic diagnosis of (*tip*), September, p. 256  
     —or neglect, identification of infants at risk for (*tip*), December, p. 156  
**acne and wrinkles, alpha hydroxy acids for** (*tip*), October, p. 286  
**acne fulminans** (*sci*), September, p. 135  
**acyclovir, oral, in maternal zoster** (*let*), August, p. 55  
**adolescent females, Chlamydia screening in** (*tip*), August, p. 294  
**adolescents, children and, crisis intervention in** (*sci*), November, p. 166  
**adoptees, international, unsuspected medical problems in** (*tip*), December, p. 176  
**affective disorder, seasonal, and the use of phototherapy** (*tip*), December, p. 185  
**aging**  
     —biologic theories of (*sci*), September, p. 195  
     —and glucose intolerance (*tip*), September, p. 244  
**aging heart, clinical implications of** (*tip*), July, p. 215  
**AIDS (see also HIV)**  
     —endocrine complications in patients with (*tip*), August, p. 236  
     —in the United States in 1968, documentation of (*tip*), July, p. 235

**AIDS patients**  
     —medical student attitudes toward (*tip*), September, p. 236  
     —prophylaxis for *P. carinii* pneumonia in (*tip*), October, p. 276  
**AIDS-related psychopathology** (*tip*), November, p. 243  
**air travel, international spread of disease by** (*sci*), November, p. 129  
**aircraft crash, major, patterns of injury in survivors of** (*tip*), August, p. 256  
**airlines, commercial, medical emergencies on** (*tip*), July, p. 219  
**airway obstruction, balloons as a cause of** (*sci*), August, p. 171  
**alcohol and other drug abuse, screening for** (*sci*), July, p. 137  
**alcohol detoxification programs, inpatient vs. outpatient** (*tip*), August, p. 252  
**alcoholism**  
     —effects of, on skeletal and cardiac muscle (*tip*), August, p. 288  
     —in hospitalized patients, prevalence of (*tip*), July, p. 259  
     —physician recognition and treatment of (*tip*), November, p. 270  
**alpha hydroxy acids for acne and wrinkles** (*tip*), October, p. 286  
**alpha<sub>1</sub>-antitrypsin, deficiency of** (*tip*), July, p. 241  
**alpha<sub>1</sub>-antitrypsin deficiency, alpha<sub>1</sub>-PI for emphysema due to** (*sci*), September, p. 223  
**ALT, AST vs.** (*let*), August, p. 55  
**Alzheimer's disease and genetic factors** (*tip*), August, p. 239  
**anemia screening, CDC releases new reference criteria for** (*med rep*), September, p. 303  
**angina and heart disease, breathlessness** (*tip*), December, p. 183  
**angioplasty, transductal balloon, for neonatal aortic coarctation** (*tip*), September, p. 242  
**angioscopic examination, damage of the arterial intima during** (*tip*), August, p. 239  
**anterior cruciate ligament tears and patterns of meniscal injury** (*tip*), August, p. 269  
**antibiotic therapy, outpatient intravenous** (*sci*), October, p. 157  
**antismoking campaign, update on the health impact of** (*tip*), September, p. 284  
**antithrombotic therapy in stroke and transient ischemic attacks** (*sci*), November (*suppl*), p. 535

**aortic coarctation, neonatal, transductal balloon angioplasty for** (*tip*), September, p. 242  
**aortic stenosis, balloon valvuloplasty for** (*tip*), November, p. 283  
**apnea, sleep, continuous positive airway pressure for** (*tip*), August, p. 280  
**aquatic dermatology, marine envenomations and** (*sci*), August, p. 97  
**arsenic intoxication, acute** (*sci*), December, p. 93  
**arterial intima, damage of, during angioscopic examination** (*tip*), August, p. 239  
**aspergillosis in children with cystic fibrosis** (*tip*), August, p. 249  
**aspiration of breast cysts** (*tip*), October, p. 274  
**aspirin prophylaxis for cardiovascular disease** (*sci*), August, p. 117  
**AST vs. ALT** (*let*), August, p. 55  
**asthma**  
     —atypical, diagnosis of (*tip*), December, p. 165  
     —childhood, parental smoking and (*tip*), August, p. 232  
     —chronic, school performance and (*tip*), November, p. 234  
     —exercise-induced, in children, AAP issues statement on (*tip*), October, p. 314  
**asthma management, better, five steps toward** (*sci*), November, p. 201  
**asthma mortality and fenoterol** (*tip*), November, p. 291  
**atenolol and nifedipine during breast feeding** (*tip*), December, p. 173  
**atherosclerosis, plasma lipid peroxides and** (*tip*), November, p. 233  
**athletes, cardiovascular changes in** (*sci*), September, p. 169  
**ATV accidents, injuries from** (*tip*), October, p. 262  
**automobile accidents, injury to backseat occupants in** (*tip*), August, p. 235

### B

**back pain, low, acute, use of radiographs to diagnose cause of** (*tip*), July, p. 250  
**back pain pitfalls** (*sci*), October, p. 133  
**backseat occupants in automobile accidents, injury to** (*tip*), August, p. 235  
**ballet dancers, teenage, nutritional beliefs and practices among** (*tip*), November, p. 274

     —atypical, diagnosis of (*tip*), December, p. 165  
     —childhood, parental smoking and (*tip*), August, p. 232  
     —chronic, school performance and (*tip*), November, p. 234  
     —exercise-induced, in children, AAP issues statement on (*tip*), October, p. 314  
**asthma management, better, five steps toward** (*sci*), November, p. 201  
**asthma mortality and fenoterol** (*tip*), November, p. 291  
**atenolol and nifedipine during breast feeding** (*tip*), December, p. 173  
**atherosclerosis, plasma lipid peroxides and** (*tip*), November, p. 233  
**athletes, cardiovascular changes in** (*sci*), September, p. 169  
**ATV accidents, injuries from** (*tip*), October, p. 262  
**automobile accidents, injury to backseat occupants in** (*tip*), August, p. 235

### B

**back pain, low, acute, use of radiographs to diagnose cause of** (*tip*), July, p. 250  
**back pain pitfalls** (*sci*), October, p. 133  
**backseat occupants in automobile accidents, injury to** (*tip*), August, p. 235  
**ballet dancers, teenage, nutritional beliefs and practices among** (*tip*), November, p. 274

balloons as a cause of airway obstruction (*sci*), August, p. 171

Bell's palsy (*sci*), August, p. 159

benzodiazepine abuse, identification and treatment of (*sci*), October, p. 175

benzodiazepine withdrawal in elderly patients (*tip*), October, p. 254

benzodiazepines, teratogenic effects of (*tip*), October, p. 283

bipolar disorder (*sci*), September, p. 156

birth weight, very low, handicaps in survivors with (*tip*), August, p. 276

bite(s)

- alligator (*tip*), July, p. 214
- human, risk of HIV transmission from (*tip*), December, p. 161

blood donor screening, newest addition to: HTLV-I (*sci*), August, p. 189

blood use in trauma patients, predicting (*tip*), August, p. 302

bone marrow sampling (*sci*), December, p. 85

bowel disease, inflammatory, refractory, methotrexate for (*tip*), December, p. 173

brain tumors, cholesterol and (*tip*), December, p. 155

*Branhamella catarrhalis* infections (*let*), November, p. 34

breast augmentation, low-dose mammography after (*tip*), July, p. 231

breast cancer

- early, involvement of the nipple in (*tip*), December, p. 180
- early, lymph node metastases in (*tip*), November, p. 279
- long-term cosmetic results following (*tip*), October, p. 294
- prognosis in nonpalpable vs. palpable (*tip*), August, p. 297

breast and cervical cancer, factors in late diagnosis of (*tip*), September, p. 241

breast cysts, aspiration of (*tip*), October, p. 274

breast feeding

- atenolol and nifedipine during (*tip*), December, p. 173
- and the working mother (*tip*), November, p. 265

breathlessness, angina and heart disease (*tip*), December, p. 183

bronchodilator therapy, inhaled vs. nebulized (*tip*), October, p. 304

bronchodilators for patients with COPD, choice of (*tip*), September, p. 256

bronchogenic cysts (*sci*), October, p. 167

bypass surgery

- coronary, survival in patients who refuse (*tip*), July, p. 247
- exercise testing for predicting prognosis after (*tip*), October, p. 302

## C

caffeine, ventricular ectopic activity and the effects of (*tip*), August, p. 231

cancer (*see also* carcinoma)

- breast and cervical, factors in late diagnosis of (*tip*), September, p. 241
- breast, early, involvement of the nipple in (*tip*), December, p. 180
- breast, early, lymph node metastases in (*tip*), November, p. 279
- breast, long-term cosmetic results following (*tip*), October, p. 294
- breast, prognosis in nonpalpable vs. palpable (*tip*), August, p. 297
- colorectal, colonoscopy in patients with (*tip*), October, p. 259
- colorectal, screening for (*sci*), November, p. 119
- colorectal, screening for (*ed*), July, p. 40
- noncervical, detecting, with cervical Pap smears (*tip*), July, p. 238

cancer therapies, NIH releases statement on oral complications of (*med rep*), November, p. 301

carcinoma (*see also* cancer)

- colorectal, preventing local recurrence of (*tip*), September, p. 286
- hepatocellular, fibrolamellar (*sci*), August, p. 175
- thyroid, surgical therapy for (*tip*), July, p. 235

cardiac disease in HIV infection (*tip*), August, p. 297

cardiac muscle, skeletal and, the effects of alcoholism on (*tip*), August, p. 288

cardiac patients, CPR training for families of (*tip*), July, p. 232

cardiac risk factor in decompression sickness (*tip*), November, p. 283

cardiovascular changes in athletes (*sci*), September, p. 169

cardiovascular disease, aspirin chemoprophylaxis for (*sci*), August, p. 117

caries, nursing bottle (*tip*), September, p. 282

carotid artery and stroke (*sci*), November (*suppl*), p. 41S

Castleman's disease (*sci*), September, p. 151

catheter, urinary, irrigation (*tip*), August, p. 300

cervical cancer, breast and, factors in late diagnosis of (*tip*), September, p. 241

cervical examination before induction of postdate pregnancy (*tip*), August, p. 231

cesarean birth rates, physician factor in (*tip*), September, p. 279

charcoal, activated, alone for acute toxic ingestions (*tip*), September, p. 244

## chest pain

- esophageal (*sci*), September, p. 101
- exercise stress testing in women with (*tip*), August, p. 279

chest tube insertion, guided (*tip*), July, p. 225

child abuse

- prevention of (*tip*), October, p. 308
- reporting (*tip*), November, p. 261

childhood obesity

- pediatricians' management of (*tip*), October, p. 273
- treatment of (*tip*), September, p. 241

children

- crisis intervention in, and adolescents (*sci*), November, p. 166
- with cystic fibrosis, aspergillosis in (*tip*), August, p. 249
- exercise-induced asthma in, AAP issues statement on (*tip*), October, p. 314

Chlamydia screening in adolescent females (*tip*), August, p. 294

chlamydial genital infections (*tip*), August, p. 278

chloroquine overdosage in infancy: a case report (*sci*), July, p. 164

cholecystectomy, short-stay, role of nasoduodenal tubes in (*tip*), December, p. 165

cholesterol and brain tumors (*tip*), December, p. 155

cholesterol levels, future, can be predicted to assess coronary disease risk (*med rep*), August, p. 308

cholesterol management, place of HDL in (*tip*), October, p. 295

chorionic villus sampling (*tip*), November, p. 228

circadian rhythms and hypertension control (*tip*), July, p. 230

clomipramine treatment, obsessive-compulsive disorder and (*tip*), July, p. 219

cocaine abuse in pregnancy (*tip*), August, p. 232

cocaine use, maternal, and SIDS (*tip*), October, p. 254

cognitive impairment after head injury (*sci*), October, p. 187

colic

- (*sci*), December, p. 122
- lactose malabsorption in infants with (*tip*), July, p. 236

colitis, pseudomembranous, fulminant idiopathic (*sci*), September, p. 179

colonoscopy in patients with colorectal cancer (*tip*), October, p. 259

colorectal cancer

- colonoscopy in patients with (*tip*), October, p. 259
- screening for (*sci*), November, p. 119
- screening for (*let*), July, p. 40

colorectal carcinoma, preventing local recurrence of (*tip*), September, p. 286

condom use

—patient education in (*tip*), December, p. 162

—women's attitudes about (*tip*), November, p. 272

congestive heart failure

—adverse effects of encainide in (*tip*), November, p. 239

—laboratory test utilization in (*tip*), September, p. 266

—and pleural effusions (*tip*), November, p. 256

conjunctivitis, neonatal, prophylaxis against (*tip*), October, p. 264

continuous ambulatory peritoneal dialysis (*sci*), November, p. 187

COPD

—choice of bronchodilators for patients with (*tip*), September, p. 256

—emergency management of, and early therapy with steroids (*tip*), September, p. 274

coronary artery disease

—asymptomatic, screening for (*sci*), December, p. 99

—exercise testing in screening for (*tip*), October, p. 255

—medical vs. surgical treatment of (*tip*), November, p. 258

coronary bypass surgery, survival in patients who refuse (*tip*), July, p. 247

coronary disease risk, future cholesterol levels can be predicted to assess (*med rep*), August, p. 308

coronary heart disease, left ventricular mass and (*tip*), October, p. 289

coronary occlusion, transmural myocardial ischemia during (*tip*), July, p. 230

correction (*let*), October, p. 47

cough, chronic persistent (*tip*), November, p. 287

CPR training for families of cardiac patients (*tip*), July, p. 232

crisis intervention in children and adolescents (*sci*), November, p. 166

croup, steroid therapy for (*tip*), December, p. 185

cystic fibrosis, aspergillosis in children with (*tip*), August, p. 249

cysts, breast, aspiration of (*tip*), October, p. 274

D

death, selling (*let*), October, p. 41

decompression sickness, cardiac risk factor in (*tip*), November, p. 283

deep venous thrombosis

—impedance plethysmography in (*tip*), September, p. 266

—pulmonary embolism in patients with (*tip*), October, p. 276

desmoplastic fibroma (*sci*), August, p. 111

diabetes, subsequent, treatment of hypertension and (*tip*), December, p. 183

diabetes mellitus

—AAO releases guidelines for eye care in patients with (*med rep*), July, p. 270

—gestational, screening for (*sci*), December, p. 109

diabetes screening, prenatal, cost-benefit analysis of (*tip*), July, p. 259

dialysis, continuous ambulatory peritoneal (*sci*), November, p. 187

diarrhea

—acute, gastrocolic fistula presenting as (*sci*), October, p. 223

—in critically ill patients (*sci*), August, p. 135

digoxin toxicity due to erythromycin (*tip*), October, p. 255

diuretic, thiazide, and verapamil therapy in hypertensive patients (*tip*), August, p. 243

diuretics, lipid abnormalities and (*sci*), October, p. 213

dog bite infections, *Staphylococcus intermedius* in (*tip*), September, p. 236

do-not-resuscitate decisions made in a home-care setting (*tip*), July, p. 253

Doppler study, umbilical artery (*tip*), September, p. 282

douching, vaginal, by teenagers (*tip*), November, p. 262

driver, aging (*tip*), August, p. 240

drug abuse

—alcohol and other, screening for (*sci*), July, p. 137

—a biopsychiatric model (*sci*), November, p. 173

drug diversion and counterfeiting (*ed*), October, p. 81

duodenal ulcers, prevention of recurrence of (*tip*), December, p. 179

dying patient, treating (*ed*), October, p. 88

dysthymic disorder, recognition and management of (*sci*), October, p. 229

E

elderly

—common oral conditions in (*sci*), November, p. 149

—exercise in (*tip*), December, p. 174

—hypernatremia in (*sci*), July, p. 125

—pneumonia in (*sci*), November (*suppl*), p. 235

—preoperative mental status evaluation in (*let*), September, p. 61

elderly patient(s)

—benzodiazepine withdrawal in (*tip*), October, p. 254

—drugs for hypertension in (*tip*), August, p. 256

—preoperative evaluation of (*let*), August, p. 58

elderly persons, risk factors for falls in (*tip*), August, p. 272

electrolyte levels, serum, in acute gastroenteritis (*tip*), November, p. 261

emergencies, medical, on commercial airlines (*tip*), July, p. 219

emergency department telephone advice (*tip*), September, p. 280

emergency department utilization by HMO members (*tip*), November, p. 272

emphysema due to alpha<sub>1</sub>-antitrypsin deficiency, alpha<sub>1</sub>-PI for (*sci*), September, p. 223

empyema necessitatis (*sci*), October, p. 149

encainide in congestive heart failure, adverse effects of (*tip*), November, p. 239

endocrine complications in patients with AIDS (*tip*), August, p. 236

endocrine disorders in impotence (*tip*), December, p. 168

endometrial sampling techniques for the office (*sci*), October, p. 207

endoscopy and bleeding ulcers, conference covers (*med rep*), August, p. 304

epidermolysis bullosa, ocular involvement in (*tip*), August, p. 287

erythromycin, digoxin toxicity due to (*tip*), October, p. 255

esophageal chest pain (*sci*), September, p. 101

esophageal varices (*sci*), July, p. 107

estrogen replacement therapy for the prevention of osteoporosis (*sci*), September, p. 205

examinations, periodic health, in women (*sci*), November (*suppl*), p. 745

exercise in the elderly (*tip*), December, p. 174

exercise-induced asthma in children, AAP issues statement on (*med rep*), October, p. 314

exercise stress testing in women with chest pain (*tip*), August, p. 279

exercise testing

—for predicting prognosis after bypass surgery (*tip*), October, p. 302

—in screening for coronary artery disease (*tip*), October, p. 255

exercise tolerance testing in a family practice setting (*tip*), December, p. 155

eye care in patients with diabetes mellitus, AAO releases guidelines for (*med rep*), July, p. 270

F

failure to thrive, nonorganic (*sci*), November (*suppl*), p. 635

falls, in elderly persons, risk factors for (*tip*), August, p. 272

family medicine, recruitment for (*let*), July, p. 52  
 fenoterol, asthma mortality and (*tip*), November, p. 291  
 fetus, anomalous, MRI of (*tip*), December, p. 155  
 fever in hospitalized patients (*tip*), July, p. 226  
 fires, residential, deaths from, in persons over age 65 (*tip*), November, p. 291  
 fish oil, effect of, in hypertriglyceridemia (*tip*), September, p. 251

## G

gallbladder bed reperitonealization (*tip*), October, p. 301  
 gastrocolic fistula presenting as acute diarrhea (*sci*), October, p. 223  
 gastroenteritis, acute, serum electrolyte levels in (*tip*), November, p. 261  
 gastrointestinal side effects associated with NSAID use (*tip*), December, p. 167  
 generic substitution, mandatory, AAFP approves policy against (*med rep*), November, p. 297  
 genetic factors, Alzheimer's disease and (*tip*), August, p. 239  
 genital infections, chlamydial (*tip*), August, p. 278  
 geriatric patient assessment through a home visit (*tip*), August, p. 250  
 gestational age, estimation of (*tip*), September, p. 248  
 glucose intolerance, aging and (*tip*), September, p. 244  
 glutamine peptides to prevent protein loss after surgery (*tip*), July, p. 213  
 guidelines  
 —influenza vaccination, ACIP updates (*med rep*), October, p. 310  
 —on nutrition for family practice residents: recommended core educational, July, p. 265  
 —for *P. carinii* pneumonia prophylaxis, PHS issues (*med rep*), September, p. 292  
 —for STD treatment, updated, CDC releases (*med rep*), December, p. 199  
 gynecologic surgery in women over age 75 (*tip*), July, p. 228

## H

handicaps in survivors with very low birth weight (*tip*), August, p. 276  
 HDL, place of, in cholesterol management (*tip*), October, p. 295  
 head injury, cognitive impairment after (*sci*), October, p. 186  
 headaches, migraine, treatment of (*tip*), October, p. 292  
 health care, access to, a U.S. concern (*ed*), November (*suppl*), p. 195  
 heart, aging, clinical implications of (*tip*), July, p. 215

heart block, reversible, in Lyme carditis (*tip*), October, p. 278  
 heart disease, breathlessness, angina and (*tip*), December, p. 183  
 hematuria in adults, evaluating (*sci*), August, p. 149  
 hemoglobin values, normal, in men and women (*let*), December, p. 47  
 'Henderson maneuver,' introducing (*ed*), August, p. 92  
 hepatitis B, screening for (*sci*), July, p. 131  
 hepatocellular carcinoma, fibrolamellar (*sci*), August, p. 175  
 heterosexual HIV transmission in the middle-class population (*tip*), October, p. 260  
 hip dislocation, congenital (*tip*), November, p. 265  
 HIV (*see also* AIDS)

 pancreatic pseudocysts (*tip*), October, p. 306  
 pancreatic transection, traumatic (*sci*), December, p. 127  
 Papanicolaou screening, computerized reminders for (*tip*), November, p. 227  
 Papanicolaou smears  
   — cervical, detecting noncervical cancer with (*tip*), July, p. 238  
   — improving (*let*), December, p. 48  
 papillomavirus infection, human (*tip*), October, p. 256  
 parathyroid cystic disease, recurrent (*sci*), July, p. 119  
 patient education: a family affair (*ed*), August, p. 92

pediatricians' management of childhood obesity (*tip*), October, p. 273

pentamidine for the prevention and treatment of *P. carinii* pneumonia (*sci*), July, p. 195

peptic ulcer, prostaglandin for: misoprostol (*sci*), August, p. 217

perimenopausal women, abnormal vaginal bleeding in (*sci*), July, p. 185

peritoneal lymphomatosis (*sci*), October, p. 195

peroneal nerve entrapment (*tip*), December, p. 175

peroxides, plasma lipid, and atherosclerosis (*tip*), November, p. 233

pesticides and food safety (*FDA*), September, p. 289

phototherapy, seasonal affective disorder and the use of (*tip*), December, p. 185

physicals, assembly-line (*let*), September, p. 53

physician education, impact of, on health promotion practices (*tip*), August, p. 292

physician knowledge, hospital costs and (*tip*), September, p. 246

pine oil cleaner ingestion (*tip*), November, p. 253

pleural effusions, congestive heart failure and (*tip*), November, p. 256

pneumonia

- in the elderly (*sci*), November (*suppl*), p. 23S
- M. pneumoniae* (*tip*), September, p. 270
- P. carinii*, in AIDS patients, prophylaxis for (*tip*), October, p. 276
- P. carinii*, pentamidine for the prevention and treatment of (*sci*), July, p. 195
- P. carinii*, prophylaxis, PHS issues guidelines for (*med rep*), September, p. 292

prayer, positive effects of (*let*), August, p. 61

pregnancy

- cocaine abuse in (*tip*), August, p. 232
- nephrolithiasis in (*sci*), September, p. 185
- postdate, cervical examination before induction of (*tip*), August, p. 231
- scuba diving and (*let*), August, p. 61

prenatal visit, pediatric, family practice approach to (*sci*), August, p. 181

prenatal and well-child care (*tip*), August, p. 287

preoperative evaluation of the elderly patient (*let*), August, p. 58

pressure sores, treatment of (*tip*), October, p. 286

preterm labor, prevention and treatment of (*sci*), November, p. 139

preventive health care use in physicians' family members (*tip*), August, p. 276

primary care 'perestroika' (*let*), October, p. 41

prostaglandin for peptic ulcer: misoprostol (*sci*), August, p. 217

protein loss after surgery, glutamine peptides to prevent (*tip*), July, p. 213

pseudocysts, pancreatic (*tip*), October, p. 306

pseudomembranous colitis, fulminant idiopathic (*sci*), September, p. 179

psoriasis and vitamin D<sub>3</sub> (*tip*), October, p. 301

psychopathology, AIDS-related (*tip*), November, p. 243

psychotropic drugs, use of, in nursing home patients (*tip*), December, p. 156

pulmonary embolism in patients with deep venous thrombosis (*tip*), October, p. 286

pulmonary sequelae of meconium aspiration (*tip*), December, p. 166

pulmonary stenosis, balloon valvuloplasty for (*tip*), September, p. 265

## Q

## R

radiologic diagnosis of fatal infant abuse (*tip*), September, p. 256

recruitment for family medicine (*let*), July, p. 52

renal dysfunction resulting from NSAIDs (*sci*), October, p. 199

rheumatoid arthritis, methotrexate in the treatment of (*sci*), October, p. 243

risk factors for falls in elderly persons (*tip*), August, p. 272

## S

schoolchildren, recurrent injuries in (*tip*), September, p. 238

scuba diving and pregnancy (*let*), August, p. 61

sepsis, neonatal, IgM-enriched immunoglobulin therapy in (*tip*), September, p. 258

sexual history

- new: inquiring about sexual practices (*ed*), July, p. 82
- taking: an individualized approach (*ed*), July, p. 83

sexual practices, inquiring about: the new sexual history (*ed*), July, p. 82

SIDS, maternal cocaine use and (*tip*), October, p. 254

skeletal and cardiac muscle, effects of alcoholism on (*tip*), August, p. 288

skin

- laser surgery of (*sci*), November, p. 109
- UVR and, NIH conference covers (*med rep*), September, p. 297

## sleep apnea

- continuous positive airway pressure for (*tip*), August, p. 280
- treatment of, with a nasopharyngeal tube (*tip*), September, p. 279

## smoking

- cigarette, trends in (*tip*), August, p. 291
- encouraging physicians to help patients quit (*tip*), December, p. 179
- parental, and childhood asthma (*tip*), August, p. 232

smoking cessation counseling (*tip*), July, p. 213

smoking intervention by physicians, increasing (*tip*), November, p. 227

smoking policies in children's hospitals (*tip*), November, p. 242

somatization disorder in family practice (*sci*), August, p. 206

sonography in newborns with cutaneous manifestations of spinal abnormalities (*sci*), August, p. 198

spinal abnormalities, sonography in newborns with cutaneous manifestations of (*sci*), August, p. 198

*Staphylococcus intermedius* in dog bite infections (*tip*), September, p. 236

STD prevention and the family physician (*ed*), December, p. 74

STD treatment, CDC releases updated guidelines for (*med rep*), December, p. 199

steroid therapy for croup (*tip*), December, p. 185

steroids, emergency management of COPD and early therapy with (*tip*), September, p. 274

stimulant medication in hyperactive children (*tip*), November, p. 279

streptococcal pharyngitis, accuracy of office diagnosis of (*tip*), August, p. 255

streptococcal tests, rapid (*tip*), August, p. 270

## stroke

- antithrombotic therapy in, and transient ischemic attacks (*sci*), November (*suppl*), p. 53S
- cardiogenic (*sci*), November (*suppl*), p. 35S
- carotid artery and (*sci*), November (*suppl*), p. 41S

## subarachnoid hemorrhage

- (*sci*), July, p. 95
- effect of oral nimodipine in (*tip*), November, p. 253
- nimodipine in (*sci*), December, p. 143

## surgery

- glutamine peptides to prevent protein loss after (*tip*), July, p. 213
- gynecologic, in women over age 75 (*tip*), July, p. 228

surgical therapy for thyroid carcinoma (*tip*), July, p. 235

## T

- teenage ballet dancers, nutritional beliefs and practices among (*tip*), November, p. 274  
teething (*let*), November, p. 39  
telephone advice, emergency department (*tip*), September, p. 280  
teratogenic effects of benzodiazepines (*tip*), October, p. 283  
thiazide diuretic and verapamil therapy in hypertensive patients (*tip*), August, p. 243  
thrombosis  
—deep venous, impedance plethysmography in (*tip*), September, p. 266  
—deep venous, pulmonary embolism in patients with (*tip*), October, p. 276  
thyroid carcinoma, surgical therapy for (*tip*), July, p. 235  
thyroid preparations, selection of (*sci*), November, p. 215  
tick exposure in Lyme disease endemic areas, preventing (*tip*), August, p. 275  
tinnitus 'hunches,' tracking (*let*), December, p. 43  
toxic ingestions, acute, activated charcoal alone for (*tip*), September, p. 244  
transient ischemic attacks, antithrombotic therapy in stroke and (*sci*), November (*suppl*), p. 53S  
trauma patients, predicting blood use in (*tip*), August, p. 302

- trichomoniasis, vaginal, clinical manifestations of (*tip*), August, p. 300  
tube insertion, chest, guided (*tip*), July, p. 225  
tuberculosis and HIV infection, ACET issues report on (*med rep*), July, p. 268

## U

- ulcers, bleeding, conference covers endoscopy and (*tip*), August, p. 304  
umbilical artery Doppler study (*tip*), September, p. 282  
umbilical cord blood serosurvey for presence of HIV antibodies (*tip*), August, p. 250  
urinary catheter irrigation (*tip*), August, p. 300  
urinary tract infections in boys under one year of age (*tip*), August, p. 246  
UVR and the skin, NIH conference covers (*med rep*), September, p. 297

## V

- vaginal bleeding, abnormal, in perimenopausal women (*sci*), July, p. 185  
vaginal trichomoniasis, clinical manifestations of (*tip*), August, p. 300  
vaginosis, management of (*tip*), October, p. 288  
valvuloplasty  
—balloon, for aortic stenosis (*tip*), November, p. 283  
—balloon, for pulmonary stenosis (*tip*), September, p. 265

- varicella vaccine (*tip*), August, p. 298  
ventricular ectopic activity and the effects of caffeine (*tip*), August, p. 231  
ventricular ectopy, magnesium deficiency and (*tip*), November, p. 256  
ventricular hypertrophy, left, in the nonagenarian (*tip*), August, p. 254  
ventricular mass, left, and coronary heart disease (*tip*), October, p. 289  
verapamil therapy in hypertensive patients, thiazide diuretic and (*tip*), August, p. 243  
vitamin D<sub>3</sub> and psoriasis (*tip*), October, p. 301  
vulvovaginitis, chronic candidal (*tip*), September, p. 262

## W

- well-child care, prenatal and (*tip*), August, p. 287  
well-child visits, improving communication during (*tip*), November, p. 274  
Wilson's disease (*sci*), July, p. 171  
women with chest pain, exercise stress testing in (*tip*), August, p. 279  
wrinkles, acne and, alpha hydroxy acids for (*tip*), October, p. 286

## X

## Y
